

FirmaCore™ Lightweight Carriers

SPECIFICATIONS

FirmaCore carriers are engineered to provide strength only where you need it for one-way, lightweight product shipments. Available in three basic configurations, the carrier can also be customized to fit your specific needs. The FirmaCore carrier is an environmentally friendly, economical way to transport your products.

- All standard FirmaCore pallets are 48" x 40" (121.9cm x 101.6cm)
- 4-way entry
- Open base accommodates pallet jacks
- Designed for use with products packaged in typical corrugated carton or tray layouts
- May be stored on wire mesh or full plank shelves
- Cannot be used in open racking systems
