

I need a headset to connect to conference calls through my computer. Are there any recommended headsets?

There are several good headset options available for you to use with your mobile phone and computer. Many people use the headsets provided with their devices. Other options available include

- Jabra 510 is a speaker phone that connects to your computer.
- Jabra Evolve 40 UC
- Jabra Evolve 65 US

Availability of these recommended models can vary depending on your geographic location.
